Join the 1% Club

What if a small percentage of your business profits could create a lasting legacy in Squamish—year after year?

That's the idea behind the 1% Club: a growing community of local businesses committed to reinvesting in the place we live, work, and care about most.

Valhalla Pure was the first business in Squamish to start donating 1% of their profits back to the community.

Fund Focus

Health, Social Development, Housing & Food Security

In recognition of Mental Health Awareness Month

Mental health is shaped by more than what's happening inside us—it's influenced by our access to care, safe housing, and strong community connections. This month, we're highlighting funds that support well-being across Squamish in meaningful, lasting ways.

When you give to a fund, you're investing in long-term impact—supporting mental health, connection, and care in our community for years to come.

Lloyd and Leona Ingraham Fund

Sea to Sky Hospice Society Fund

Provides compassionate care for individuals facing life-limiting illness—and ongoing support for their loved ones - this fund helps ensure no one navigates loss alone.
